Subject: **HUMAN RESOURCES STATUS REPORT ON KING/DREW MEDICAL CENTER (KDMC)**

This status report reflects information as of September 1, 2005. Please keep in mind that this information changes daily and, therefore, the information in this report is a snapshot in time.

DISCIPLINE

Overall, since January 2004, we have taken disciplinary actions against 289 employees at KDMC. Of this number, 146 actions have resulted in discharges, releases or resignations. A total of 35 disciplinary actions have been taken against physicians and 27 physicians have been discharged or resigned.

Our closure rate continues to exceed the number of referrals received. Since our last report, we have closed seven cases and have opened two additional cases. As a result, our open caseload is currently 88 (detailed summary information is contained in Attachments I and II). There is one new physician case which involves an allegation of unprofessional behavior.

RECRUITMENTS

Seven new Staff Nurses have been hired and are scheduled to start by mid-September (three will be working in Medical/ Surgical; two in Psychiatry; one in Cardiac Care; and one in the Emergency Room). Furthermore, two additional nursing management positions

have been filled by internal promotions. One promotion was for an Assistant Nursing Director Administration for the Staffing Office and the second was for a Nurse Manager/Nights. We are continuing our aggressive recruitment efforts heading into the fall months. The next RN Interview Day is scheduled for Friday, September 16, 2005.
